

In closing, what should we do?

The same question was asked 2,000 years ago by about 5,000 devout Jews who realized they were sinners, just like us, with no hope of life after death, no chance of true wholeness.

The Apostle Peter gave them the correct and only answer. The same answer applies to us today. Read it for yourself in your own Bible:

“Repent (change your views and purpose to accept the will of God in your inner selves, instead of rejecting it) and be baptized, every one of you, in the name of Jesus Christ for the forgiveness of and release from your sins; and you shall receive the gift of the Holy Spirit.”
(Acts 2:38 Amplified Bible)

Remember, there’s only two ways of life: God’s way and Satan’s way. There is no neutral way. What you may think is your way is in reality humanism, the way of this world, which is Satan’s way, the way to the pits of Hell.

“I have come that ye may have life and have it more abundantly.” —John 10:10

INTRODUCTION

In John 17:17 the Messiah of Prophecy, Jesus Christ, said: “Thy Word is truth.” He was referring to the Holy Bible, the Living Word of God.

Too many modern-day Christians blaspheme God’s name by taking on the name, calling themselves Christians, Catholics, Lutherans, etc., but denying the Word and living their lives like the rest of the secular and heathen world that we live in. Jesus said: “By their fruits ye shall know them” (Matthew 7:20).

Two absolute truths that Our Lord spoke about were “Hell” and “Satan.” In fact, He spoke more about Hell and Satan than He did Heaven or Paradise.

Our modern world acts as if the King of Kings, Jesus Christ, didn’t really mean what He said. They would pretend to conduct their lives as if there were no eternal consequences for sin and in defiance of God’s Law Word, found in both Hebrew and Greek scripture.

When it comes to belief in a real being, “Satan,” our lifetime adversary, modern-day Church people go to one of two extremes. They either place him as a non-entity/imaginary character or they appear to give him more attention than he deserves.

True Bible-believing Christians should be aware of Satan’s existence, but not to fear him. We are assured that the power of God’s Holy Spirit, that resides in us, is greater than he who is in the world (1 John 4:4).

When it comes to Satan, his demons, ministers and minions, our three-step instructions are clear and very simple: (1) Submit yourself to God; (2) Resist the devil and (3) he will flee from you (James 4:7).

The term “holistic medicine” encompasses the whole of our being. It involves body, mind and spirit. The mind often goes unaddressed in modern-day holistic medicine or goes off into one of the 57 different varieties of humanistic psychology which seldom leads to

CONCLUSION

I am very thankful that I am not Satan the Devil. He and his ministers, minions and followers have a horrifying future. Read it for yourself:

“He who is victorious shall inherit all these things and I will be God to him and he shall be my son. But as for the cowards and ignoble and the contemptible and the cravenly lacking in courage and the cowardly submissive and for the unbelieving and faithless and as for the depraved and defiled with abominations and as for murderers and the lewd and adulterous and the practitioners of magic acts and the idolaters, those who give supreme devotion to anyone or anything other than God, and all liars, those who knowingly convey untruth by word or deed, all of these shall have their part in the lake that blazes with fire and brimstone. This is the second death.” (Revelations 21:7 Amplified Bible)

“Then the devil who had led them astray (deceiving and seducing them) was hurled into the fiery lake of burning brimstone where beast and the false prophet were and they will be tormented day and night forever and ever (throughout the ages of the ages).” (Revelation 20:10 Amplified Bible)

decency. I would have them create laws in favor of My kingdom of Hell by way of reconstructing and reinterpreting words and spin-twisting the original intent of the laws of the land.

141. If a minister of the Gospel of My Enemy Jesus Christ ever dared to speak out against any of My wonderful homos whose perverted minds I've captured long ago or repeated the Gospel truth that sodomy was a mortal sin that needed to be repented of or that my lovable queers and fairies would not enter the Kingdom of God unless they repent, they would be immediately found guilty of a hate crime, put in jail, their property confiscated and their children taken from them and put up for adoption with one of my Hell-bound two- or three-Dad families. I don't want my fairies or butchdykes or lesbians to repent. I want them to spend eternity in Hell with Me. I will have My minion judges make laws keeping My homos with Me forever.
142. I love war – it causes a little taste of My Hell on Earth. My minions will create a system that makes war a never-ending way of life.
143. Twisted perverted sex must be taught to children at the very earliest age possible. This will make fornication, homosexuality, masturbation no longer a sin, but perfectly normal.
144. Once the moral issue “thou shalt not commit adultery” is overturned by My ministry of the word from the pits of Hell, the doors will automatically be open to pedophilia, bestiality, Plato's republic group sex, polygamy, switching partners daily. My kingdom demons hate God's Law, the family and an orderly society.
145. Because I hate the God-ordained family so much, My minion judges in high places will please me by working overtime to redefine the family. In My kingdom, a family could be anything: two, three, or a gang of queers, butchdykes, bisexuals, animals, children, whoremasters, prostitutes, or Plato's republic. This is what My wonderful kingdom loves and accepts.

healing. The spiritual component of holistic medicine is usually ignored altogether. If it is approached at all, it usually comes from an Eastern or new-age philosophy foreign to the moorings of our country, and contrary to the Word of God.

The term “spiritual” is often thrown around in holistic medicine, but few people understand its definition. The Christian is called to seek out God's definition in all areas of life. In John 6:63 Jesus said: “The words that I speak, they are spirit [spiritual], they are life.” We do not need Eastern philosophies or new age concepts for us to understand the spiritual realm.

If you're a Bible-believing Christian, this is your definition of spiritual: Your spiritual life revolves around applying the words of Jesus and the entire Bible to all areas of life, not just Church life.

We understand that the humanistic world has its own spiritual standards; most often they are contrary to biblical standards. This booklet is published with that fact in mind, and what world history has taught us when we stray from God's eternal standards. In short, we don't need to experiment.

Holistic healing goes way beyond allopathic medicine's goal of relieving (suppressing) symptoms. It dares to touch on what is often the deeper causation of our diseases that involve our mind, emotions and soul.

True holistic medicine acknowledges the true source of all healing – namely, God Almighty, the Maker of Heaven and Earth, and all things visible and invisible. All healing comes from the Above first, then the mind and finally the body. “Dis-ease” often starts in the soul, mind and emotion and finds its way into body tissue.

Our spiritual life cannot be ignored if our goal is total healing and high-level wellness. Man is a spiritual being designed to have a relationship with his Maker. We, as spiritual beings, have incredibly powerful minds capable of creating dis-ease and wellness, Heaven and Hell right here on Earth. We are living souls, directed by a powerful servo-mechanism, living in a space suit that we call body.

We have an instruction manual given to us by our manufacturer, God Almighty. Every word in it is God-breathed and

truth. There is a Heaven and there is a Hell, according to this life manual. There is a Living God and there is a Satan.

This booklet was written to make you cognizant of the fact that Satan exists, he has a kingdom. His goal is to rob, steal, kill and destroy (John 10:10). Satan has ministers and minions in every arena of life, including health care, foods, medicine, mental health, farming, education, finance, economics, news and information, religion, philosophy, business, welfare, politics and even the Church itself.

In world history, there have only been two warring kingdoms, two religions, two different ways of life: The Kingdom of God and the kingdom of Satan. The religion of God and the religion of Satan (humanism). The way to the Gates of the Heavenly Kingdom and the gates to the pits of Hell.

The Christian has the responsibility to expose every false way, every philosophy, every system, every lie, every concept, every word, every idea that is contrary to the inexorable Word of the Living God.

Read it for yourself in your own Bible. If you don't own a Bible, we'll give you one free.

For though we walk [live] in the flesh, we are not carrying on our warfare according to the flesh and using mere human weapons. For the weapons of our warfare are not physical weapons of flesh and blood, but they are mighty before God for the overthrow and destruction of strongholds. Inasmuch as we refute arguments and theories and reasoning and every proud and lofty thing that sets itself up against the true knowledge of God, and we lead every thought and purpose away captive into the obedience of Christ the Messiah, the Anointed One.

(II Corinthians 10:3 Amplified Bible)

until the term “freedom” became slavery. I would first create a slave mentality, then a nation of slaves laboring under the false assumption of freedom.

136. My Enemy made it very clear in His Bible that debt was indeed slavery – but My professor minions in My God-hating colleges will take care of that problem by teaching that My word is true by way of humanism and God's word was not credible.
137. The apostle of My Enemy Jesus Christ clearly taught that he who commits sin is a slave to sin. But My ministers will successfully solve that problem by teaching that the law is done away with. The Ten Commandments were for the Jews of the Old Testament; we are free from the repressive laws of the Old Testament's mean God. Ours is a New Testament lovey-dovey God. We can now blaspheme His name, substitute many other gods (including money, fame, power, self-aggrandizement, sex, self-esteem), have as many idols as we wish (movie stars, rap artists, athletes, gurus, statues of saints, rabbits' feet, astrologists, new-age spiritual guides). We can take God's name in vain any way we want, curse parents, lie, deceive, cheat, steal, commit acts of faggotry, transvestism, butchdery, lesbianism, pornography, fornication, adultery, masturbation, pedophilia, bestiality, and spit in God's face. We are free, free at last – this will be an easy sell for My false ministers. The great masses of antinomians and make-believe in-name-only Christians will love it. I'll love it too, seeing them all in Hell with Me and My fallen angels.
138. I would destroy any and all connection with the past. Colonial history would be stricken from the record books and be unlawful in My Church, known as the public schools. To teach the truth – that a nation was built by Christian people and God's Law Word – is unfair to My magnificent God-hating atheists.
139. My kingdom is one of confusion – My minions will maintain confusion as to the Founding Fathers, their beliefs and documents.
140. I would flood the land with God-hating judges, ex-potheds, ex-flower people, ex-whoremasters, and haters of order and

130. If I can hook them on Coke, I can easily convince them that drinking “Starbucks” and other coffee substances is a good and trendy thing to do. The fact that this drug alters minds, affects nerves and brain function while it depletes calcium, magnesium, pantothenic acid and B vitamins shouldn’t concern anyone – I’ve got minion experts who will counter every sensible argument.
131. If I can get the masses to drink more toxic substances such as soda and coffee than pure water, I’ll have no problem getting My Madison Avenue spinsters to convince the masses “this Bud’s for you.” Beer-drinking alcoholics can feel self-respectable in their stupor, associating themselves with sponsored athletic events. It’s truly amazing how the mass mind associates and goes along with the herd rather than thinking. Movie stars and athletes lead people into drinking poisons they get paid to endorse.
132. As the Great Destroyer of history, I have destroyed the foundation of every society by destroying the God-ordained family structure of the man as the head of the household. I introduce confusion. Chaos soon follows.
133. I destroy society and its structure by introducing fornication as the accepted public policy. Sex, instead of becoming the cement that binds in a spiritual relationship for life the way My Enemy God intended, I make it a very cheap thing – I get everyone doing it with everyone they wish, or at least thinking about doing it. “Thou shalt not commit adultery,” commanded by the Creator, is now replaced with My word law that I use to entice people right into My beloved kingdom of Hell. My word law says, “Do it. If it feels good, do it.” Do it as often as you like with whomever you like until it becomes meaningless, sick, ugly and disease-engendering.
134. My minions work closely with lawmakers to make God’s Commandments null and void. Prostitution, under My influence, is less of a crime than spitting on the sidewalk.
135. I would inspire My minions in high places to promote the idea of freedom while subjecting the masses deeper into slavery,

“IF I WERE SATAN the DEVIL”

by Robert H. Sorge, N.D., Ph.D.

Doctor of Naturopathic Medicine

1. If I were Satan the Devil, the first thing I would do is convince the world that I didn’t exist.
2. I would create a cartoon character in the mind of the masses. Every time My name came up, the deluded masses would associate Me with Donald Duck and Mickey Mouse.
3. To further reinforce the Satan fairy tale, I would have My minions who hold public office create a special religious holiday each year in honor of Me and call it “Halloween.”
4. The mass mind of this world’s system that I control will, like dumb sheep, go along with anything. Halloween, which means “all hallow evening,” will be made into a tradition, mindlessly followed year after year.
5. The word “hallow” means holy. The dumb sheep, without thinking, will honor Me and My wonderful work on Earth, making Me holy.
6. With a tiny bit of twist and deception I can even tie Halloween in with All Saints Day. I can even get some churches involved. Masses of people will worship Me and My glorious work on Earth in the name of saints (John 3:8).
7. It won’t take too much more deception to create a Hallow Mass in My honor. The great mass mind that I control will never know that the Word of My Enemy Yahweh found in the Holy Bible condemns heathen holidays, recognizes no such day as All Saints Day or the so-called “Mass” and specifically commands them, “Learn not the way of the heathen” (Jeremiah 10:2). I love My work. That’s why My Enemy calls Me “the Great Deceiver.”
8. As a non-entity, disguised as a cartoon character, I will then be free to deceive the entire world (Revelation 12:9).
9. Being free to deceive the whole world, there is no limit to what I can accomplish. I can now spin everything around. No deceiver will remain unaffected. Bad will become good. Good will become bad. Light will become darkness. Darkness will

- become light. Sweet will become bitter. Bitter will become sweet (Isaiah 5:20).
10. My Enemy God Almighty, Maker of Heaven and Earth, warned Me in His Holy Bible not to do the things that I do, but I have My rights. He shouldn't have thrown Me and one-third of the angels that followed Me into rebellion out of Heaven. I'll teach Him a thing or two. I and My loyal demons will now deceive mankind to also rebel against God and His Word/Law (Isaiah 14; Revelation 12:13). I will not go into the everlasting hellfire alone – misery loves company.
 11. If I were Satan the Devil, I would seek after and find a former Christian nation living off the capital of its past godliness, possibly the most powerful nation in the world.
 12. I would, over a period of time, put their former Christian values that made them great to sleep. I would accomplish this through My wonderful demons, the spirits of deception, My fabulous minions, earthly ministers and angels of light (II Corinthians 11:14). Even My Enemy in His Bible refers to My ministers and angels of light. Fortunately for Me and My secret powerful kingdom, the masses do not study or believe the Bible and My workers, like Me and My fallen angels, are very well disguised. We remain unreal cartoon characters and intend to continue in that role as long as I remain on Earth.
 13. My first order of business will be to get My earthly ministers and angels of light inside the Church.
 14. Don't tell Me this is not possible. I have destroyed every known ruling kingdom that ever existed from within. I know My business. Even My Enemy God Almighty has recognized Me for what I am: "the Great Destroyer" (I Corinthians 10:10; Exodus 12:23). I hate the Church, I hate God's Law, I have rebelled against it. It was easy for Me to get Mother Eve to rebel. It's easy for Me to twist the Word of God.
 15. I even destroyed My Enemy's holy nation of ancient Israel. How do you think I and My ministers accomplished this? I got on the inside. I watered down their values, standards and beliefs. I then replaced My Enemy's standards, principles and laws with My own. Soon My Enemy's children were

125. I will kill 367,000 people of the land each year with My sorcery/medication and call it "drug interaction." This term, along with "reaction," was bought and paid for by My Madison Avenue spin minions. If we were truthful in language, we would call it what it is: "poison effect." The dumbed-down one-time Christian nation is being poisoned to death, foolishly thinking they're doing something for their health.
126. I will hospitalize another three million a year that I couldn't quite kill, but many will be maimed, disabled and compelled to remain on My sorcery for life, unable to fully function. Drug medicine is godless medicine. I control it.
127. I would also make immunization a new act of faith, replacing the faith in the great physicians because there is no scientific validity in immunization. We must make it an act of faith. Other kinder and gentler nations, realizing that there is no real science behind immunization, have dropped its compulsivity. This lack of faith must be punished. No licensed doctor will be permitted to exist if he/she does not administer the wafer of faith; no child will be permitted into our Hell schools; and parents will have their children taken away as an example if they are unfaithful and do not permit My agents to inject monkey pus, cow mucus, mercury, horse urine and 72 other toxic substances into their veins. My ministers of light are indeed in high places. This will be carried out to My glory.
128. I will poison the water supply under the guise of water purification and protecting kids' teeth. This, of course, is another Satanic lie, but who cares. The truth is we have to dump these toxic wastes somewhere, and if it keeps the mass mind sedated, less able to think, that's good for My kingdom.
129. Keeping the mass mind sedated has financial benefits for My kingdom. Non-thinking people are easily led to believe that "things go better with Coke" and all types of lies. Once the masses get addicted to this liquid sugar, I'll get them to drink more of this health-destroying acid than they do water. This will disrupt their mind chemistry and make it easier for me to introduce more lies.

119. I would compel those who have gone through My schools of medicine to prescribe sorcery to the unknowing masses. Anyone not using sorcery/drugs would be sanctioned. I would make life miserable for them.
120. I would easily influence the mass media to promote My sorcery in the name of news and information. They would be well rewarded with a constant flow of advertiser revenue.
121. Having control of the best politicians that money can buy, I would tell the biggest lies imaginable on TV, radio and print about My sorcery. My Madison Avenue minions would be rewarded real well for their misinformation, disinformation and creative spins, turning absolute heinous lies into angel of light truth. The biblically illiterate masses will never suspect that I am behind this master conspiracy.
122. I would make claims about My sorcery that would make your head spin. I would poison a gullible, lazy, undisciplined nature into sickness, misery and premature death with My sorcery. Nothing will stop me. My Enemy Jesus Christ said I have come to lie, steal, kill and destroy. But who believes Him? My lies always dominate.
123. I would speak like I was telling them the truth. I would inform them that My sorcery drugs will be far worse than the symptoms they're trying to suppress. I will even appear to warn them that My drugs/sorcery could cause terrible disease, misery and even kill them, but this information will not matter because My special form of sorcery has already taken control of their dull minds. The morally compromised love My lies and especially My Madison Avenue demon-inspired spin. My Archenemy, the only one to ever defeat Me in world history, said I was a liar from the beginning, but no one listens to Him. They love My lies.
124. Everyone knows that one of My names throughout history is the Destroyer. Now being in position to destroy, I will do exactly that, all in the name of healthcare, medical science and medication. I love lies and deception. People love to hear them.

- worshipping My beloved demons – they fall for My lies in every generation.
16. The great masses never learn. They keep repeating the same mistakes as the generations before. They hate light and love darkness. They love My sin system. It's so easy for Me to trap them. I am no match for even the wisest of men. They ally with Me every time. Even My Enemy acknowledges Me as "a powerful lion seeking whom I can devour" (I Peter 5:8). The Apostle Peter gave fair warning about Me to the mindless masses. He said, under God's inspiration: "Be sober, be vigilant." But who listens to him when My wonderful masses of mindless sheep really want to listen to Me and My ministers, who teach the exact opposite? Peter identified Me when he called Me an adversary, but who believes him? My angels of light have a spiritual-sounding spin for everything. The great masses love Me and My ministers. God's Word is true: "I devour," but it seems that people love it that way.
17. My angels of light will convince the Church mass mind that there are two Bibles: the Old Testament for the Jews and the New Testament for the so-called Christians. This is not biblical, of course, but who cares? It will be easy for Me to do. This will disconnect any and all order and continuity of the end from the beginning – I will be free to create confusion in their churches.
18. Once this is accomplished, there will be no continuity to either Testament; neither will have a solid foundation. Anyone could then be free to interpret into My Enemy's Word/Law anyway they wanted. Mankind could dream up all types of new doctrines. There would be no final and cohesive standard. Confusion will run amuck.
19. This would accomplish so much for My work on Earth. "No absolutes." "No final authority." "No law." My Enemy Jesus clearly taught that He came not to destroy the law, but who cares what He said...I have come to destroy the law.
20. This will, of course, split the Church into hundreds of silly denominations and splinter groups, like in the time of the Judges. Every man would be free to do what they think is right in their own eyes (Judges 17:6). Boy, what a great opportunity

- this will be for the kingdom of Hell on Earth. Every man and woman will be their own god with Me as their Master.
21. With so many factions, much of the impact the Church had on society in past generations will be watered down to nothingness. My word will overrule the Church's in the real world. The Church will have little to no impact on My real world.
 22. As My wonderful ministers of light gained credibility with the masses, I would have them teach that all Ten Commandments – the spiritual law and character of My Enemy God Almighty – were nailed to the Cross. With the Old and New Testaments being separated, very few of the great masses will grasp the point that it was the ceremonial law of the Old Testament, not the spiritual Law of God, that was done away with (Romans 3:31; Romans 7:12). It will be easy to dupe them.
 23. It will be easy for My wonderful angels of light to convince the great masses to listen to Me rather than My Enemy who “redeemed them from the curse” (the result of breaking the Law) (Galatians 3:10), the Law which is holy and perfect (Psalm 19:7) and unchanging (Matthew 5:12). The great masses love My wonderful ways and will follow Me directly into the fires of Hell itself.
 24. This will, of course, lead to teaching a very cheap grace. Simply “give your heart to the Lord” without even manifesting any change. The masses will buy this false theology, say a few meaningless words, and continue to live as before, without any change of heart, mind or action.
 25. It will be easy for My demons to recruit My ministers into this type of theology. The dreams of the prestige, power, recognition and money appeals to My ministers. I will teach them with some of the top Madison Avenue marketing spin specialists and we can go to work building mega-churches. Preaching sin, repentance and holiness is a thing of the past. The masses must be made to feel good about themselves.
 26. My mega-churches will have little to no biblical substance. Charismatic preachers will deceive many and boy, will the masses be deceived. Entertainment will be the underlying theme. The pastors of My flock will have charisma; they will get people high emotionally. The dumb masses will equate

112. I would make drug addicts out of the entire nation by getting My sorcery into young children. The younger I can get them hooked, the easier it will be for Me to drug their minds for life. My sorcery drugs will stunt their young bodies and minds, disabling them from even reaching their God-given potential. My government-controlled school system will neutralize them from ever really knowing My Enemy Jesus Christ, and best of all, they will be addicts to My drugs forever.
113. I would gain control of the medical schools of the land. This is easy: we'll simply buy them with our drug profits and then dictate what is taught and what it not taught.
114. I would then convince the new doctors that sorcery/drugs was medication and medication was sorcery/drugs. I, of course, would not use the word sorcery. I would choose My words very carefully. The terms “medical science,” “modern medicine,” “scientifically-based treatments” and other high-sounding names would be used.
115. I would convince the new sorcerer that natural foods, food medicine, fitness medicine, chiropractic, naturopathy, herbs, homeopathy, vitamin therapy, chelation therapy, oxidative therapy, naturopathic detoxification were all quackery and that only sorcery/drugs were medication. I would even sponsor law enforcement groups and quack-buster groups to decimate anyone who opposed my sorcery.
116. I would then flood the land with sorcery medicine. There would be no end to new drugs. My wonderful ministers of light would work day and night to dream up new names for new diseases so more and more drugs could be created. My political minions would work out ways and means to get the government to pay for My poisonous drugs.
117. I would install the best demon-inspired politicians money could buy to be My minions to do My bidding.
118. I would easily influence My minion politicians to grant patents on sorcery, allowing them to be called medications. I would then be able to kill millions, maiming and disabling tens of millions under the guise of treating them. I will destroy the human family with my sorcery, just like I did in ancient times.

- encourage them through My demon agents of medicine to take a drug for every condition imaginable. The more drugs that they take, the better it is for My kingdom.
106. I would make my sorcery/drugs the new idol of the land, substituting My demon-inspired mixtures for faith in the God of Heaven Who declared, “Though shalt have no other gods before me” and “I am the healer” (Exodus 20:3; Exodus 15:26). I now, not God, will be their healer.
 107. I will entice them into the drug game with promises of health that can never be delivered. I will then addict them to My symptom-suppressing drugs. My sorcery drugs will create new symptoms which will require even more sorcery drugs. My drug ministers will convince them that they need ten to twenty different drugs just to get through the day. I will bleed them and suck them dry to their last dying breath. I and My angels of light will receive the faith the God alone deserves. I of course will destroy them.
 108. My ministers in educational institutions will pick out the brightest and the best students to be my sorcerer/priest medical doctors. My ministers will get them in my brainwashing indoctrination centers and take away their ability to think. I will fill their minds, wills and hearts with sorcery until every thought they think will come through My sorcery filter.
 109. Everything pertaining to God will be taken out of the practice of medicine. It will be replaced by Me as their new god, all under the name “medical science.”
 110. I would make psychologists and psychiatrists the new ministers and high priests of the land. They would administer the new sacraments of psychobabble and sorcery/drugs. They are My wonderful angels of light also, in whom I am well pleased.
 111. I would have My angels of light, minions and demons get into the hearts and minds of morally compromised administrators, so-called educators, and unaware parents to mass sorcerize young children with psychotropic drugs. This trick would be easily accomplished under the cloak of medical respectability. No real scientific validity will be necessary. Imaginary diagnoses could easily be made up, such as attention deficit disorder and other nonsensical gobbledygook psycho-quackery.

- human emotions to God’s spirit. People will have a good ol’ time at church. Nothing much will change in their daily lives. Society will not be any better but boy, will people love getting high on My type of religion. Some will even speak in demon-inspired tongues that will supersede My Enemy’s Word/Law.
27. My mega-churches will disregard most everything in the Old Testament except the tithes. You can count on My ministers preaching at least once a month on stewardship and the tithes. This will be preached completely out of context, but who cares? Get the money in so My angels of light can build an empire here on Earth now. Let’s not get confused with what My Enemy says. He can only tell you the truth and make you feel bad. I can tell you glorious lies and make you feel good about yourself (John 17:17). I can give you false hope, false assurance. I can give you an insurance policy that will never pay off. In the end I’ll be so happy when the Enemy I hate, Jesus Christ, says to you, “Depart from me, you doer of evil and iniquity. I never knew you” (Matthew 25:41; Luke 13:27). You will get to go into the everlasting hellfire with Me. I am determined to take many human beings (whom I hate) with Me.
 28. I would gain control of young minds and mold them to do My bidding. I would make slaves of them while making them think they were free to do their own thing (Romans 6:16).
 29. I would gain control of the public school system and make sure everyone got a good indoctrination. Prayer, Bible, the Ten Commandments, morality and any mere mention of Christianity or Christ’s name would be strictly forbidden.
 30. I would teach a new morality: “If it feels good, do it” and “Do your own thing, make your own standard of right or wrong.”
 31. I would teach the lie that the Bible was written by men, subject to errors, different interpretations, an ancient relic, not applicable to a modern age. I would get My ministers to teach this even in the seminaries of the land, so it would easily be accepted in the churches.
 32. I would promote the attitude of get-more consumerism, loving things, using people, and ignoring God.
 33. I would promote money, power, self-aggrandizement, lust, sex and greed as the new national idol and way of life.

34. I would replace ministers of the Gospel of Good News with psychologists and the new priests of psychobabble.
35. I would take control of the public media, and under the guise of news, information and public service, My minions would create a new mindset – one of corruption, perversion and moral depravity – under the guise of freedom, new morality, enlightenment, and other such names.
36. I would dupe entire states to introduce gambling to bring in revenue. My ministers of light entrenched in politics would convince the great masses of sheep that this would reduce taxes, help our schools and other glorious high-sounding causes.
37. While promoting gambling, I would denigrate and discourage hard work as the road to wealth and godly dominion.
38. I would convince people that character is not a criteria for holding public office as long as the candidate could do his job. That would make men like Al Capone perfect candidates for public office. I would make the oath of office a meaningless relic of the past.
39. I would open our borders up to any non-Christian culture that wanted to come in with the purpose of neutralizing, watering down and eventually eliminating the memory of a once-Christian people. My ministers of light would proclaim tolerance, equality, justice and fairness for all. I'd even open the prisons and dump all the criminals of the Earth into what was once a productive Christian nation.
40. I would create a Babel of confusion with many different languages, customs and cultures until it was impossible to distinguish who or what an American citizen was. My ministers of light would sell this idea under the guise of diversity and the one new world order.
41. I would have My own ministers, minions and workers infiltrate the very Church of God. I would make them appear as angels of light, bringing forth new liberating truths.
42. I would make it legal to take the life of a baby in its mother's womb. I would even convince the sheep that this was a wonderful, righteous and courageous thing to do. I would change the language and make murder of an innocent child up

97. I would teach one of My favorite subjects in My minion-controlled secondary school systems: "Comparative Religion."
98. I would bring in My angels of light and flood the minds of the unstable and ungrounded with so many demon ideas and concepts, precepts, high-sounding ideals and philosophies of men inspired by My minions, both past and present, that I would create confusion. My kingdom thrives on confusion.
99. I would then take advantage of this confusion by introducing the concept of fairness and equality, that all religions are equal, even demon-inspired religions, even homicide religions that blow themselves up to murder others.
100. I would neutralize, in the minds of the ungrounded, the Word of the Almighty, the Master of Heaven and Earth and all things visible and invisible. God's Words would be equal to one of My angels of light, minions, agent philosophers, man-made gods, demon-inspired gods, or opinion of man. All would be free to choose.
101. I would, of course, entice the modern-day morally depraved masses the same way I did with their first parents, Adam and Eve, to think for themselves, to do their own thing, not to listen to God but to be their own god. This is as easy for Me to do as taking candy from a baby, because every man and woman doesn't want to obey God. They quite naturally want to be their own god.
102. I would convince the morally depraved who hold public office that the founding documents that their nation was built on mean the exact opposite of what they clearly say. Don't ask me how I will accomplish this; it is one of My secrets. I know the mind of the morally depraved. They want to be convinced that light is darkness and darkness is light. They love My kingdom of Hell.
103. I would come into every home with sorcery/drugs under the name of medication.
104. I would convince the cowardly masses that My new form of sorcery was the best of modern-day medical science, that it was indeed very good.
105. I would sedate the minds of the faithless, making them dependent on My sorcery to make it through the day. I would

- Bible-believing Christian would be allowed to teach at any level in the schools of our land or hold any responsible position.
90. I would convince so-called educators that evolution, even though it has been proven scientifically to be unscientific and in fact impossible, and Darwinism an embarrassment to honest science, to be taught as if it were fact. Anyone not teaching My evolution lies would be sanctioned. I would have My minions in high places teach this lie as if it were absolute truth. No debate, questions or discussion of this established lie would be permitted.
 91. I would convince the mass mind that Communism and Fascism were dead. I would then teach all the wonderful Satanic benefits of Communism and Fascism under other names. Educators and schools would serve as My new Church.
 92. I would set up a national treasury system that could rob the dumb masses by way of inflation, the hidden tax that they would never quite figure out. My ministers know how to steal – they're all master thieves.
 93. I would convince the already stupid that inflation was something that was out of control. I would then inflate until there was nothing left to inflate, until the dumb masses were left grasping their worthless idol that they lusted after with all their heart, only to learn too late that their paper idol was worthless.
 94. I would convince the masses to send their children to the best college that money could buy, even if it meant going into debt. I would then get hold of their child's mind and send them directly on the road to Hell. My minion professors and ministers of light would suck the last hope of moral decency out of them. My ministers would leave them \$100,000 in debt and both feet in Hell.
 95. I would convince the mass mind that the words of the Bible, "Only a fool in his heart says there is no God," really means the exact opposite: "A well-educated person says in their heart there is no God." The masses will listen to Me, not God, every time.
 96. I would use the term "educate" but in fact I would brainwash the stupid masses to be My minions, slaves and agents, doing My will, thinking that they're so educated doing their own will.

- to the 9th month freedom of choice. My ministers of light would use the right words and images to even make it seem that murdering a helpless child was the right thing to do, righteous and wonderful.
43. I would see to it that it was not necessary for medical doctors to take an oath that prevents them from sucking out the brains of a newborn up to the 9th month. The term "aborticide" would be changed to a medical procedure, so Blue Cross could reimburse the doctor for murder in the first degree. Profit comes first in My kingdom; greed and selfishness is easy for me to sell.
 44. Even the Oath of Hippocrates, made to a heathen deity, would be done away with. No moral standard would be permitted. The doctor would become the new High Priest again, just like it was in the good old days in Egypt when the sorcerer was both the doctor and priest.
 45. I would change the culture by changing the music. I would then introduce My demons to inspire lower impulse music into the nation's youth and even the Church. My ministers would, of course, rename it "modern" or some other enticing name.
 46. I would make it socially acceptable to take one's own life. I would accomplish this by publicizing some of the most bizarre cases imaginable, until I hooked the public's psyche.
 47. Euthanasia would become socially acceptable because, once again, the sorcerer/priest/ medical doctor would be the executors. Blue Cross would reimburse the doctor for his murder. It would all be justified anyway with the new speak. After I accomplished this I would make euthanasia the de facto law of the land. I would promote this form of murder under the new term "death with dignity."
 48. I would change the name of "planned aborticide" to "planned parenthood" and change the word "murder" to "freedom of choice." My spin ministers are excellent at this.
 49. While committing murder in the womb and murder of the aged, I would promote protecting the animals, tree-hugging, fish, wildlife and insects, especially in areas where oil, minerals or productive resources are available.

50. I would put animal rights above the rights of the newborn. I would pull this off under the guise of environmental protection. My ministers of light are an invisible but powerful underground force.
51. I would decriminalize the crime of sodomy. I would sell the masses on the idea that it's a mental sickness, not really a crime against humanity, sin and abomination before Our Creator.
52. I would, through My agents and demon-inspired minions, convince the world that sodomites were born that way, that they really can't help themselves. My workers of iniquity would convince the spiritual dwarves of our land that this twisted perversion is not really a sin against God, not a perverted choice of a base mind, but a natural thing for some who can't help themselves. I'd even have My angels of light, ministers and minions in high places convince the sheep that the Creator designed a third sex and that perversion is really normal.
53. After neutralizing the masses' shock, revulsion and disgust over sodomy, I would have My demon-inspired psychologists convince the world that sodomy is perfectly normal; not only is it not a criminal act, not a mental illness; sodomites are just like you.
54. I would then have My angels of light, pretending to be ministers of the Gospel, convince the masses that sodomy is not really a sin, that God didn't really mean to say it was an abomination before His eyes. I would have My new ministers of light teach a lovey-dovey type of new religion: love, love, love. Man's way, of course, not God's Way: no Bible, no standards, no God, no Commandments of God. My ministers would change some words so perverts' lust would equate with love.
55. I would sneak My angels of light into the Catholic Church seminaries. I would fill the priesthood with so many sodomites that it would be impossible for the Pope to renounce sodomy as an excommunicable act without collapsing the entire priesthood. God's Law/Word would have to be compromised. The abomination of sodomy would have to be respected as a Constitutional right.
56. I would have My angels of light work overtime on the sodomite mindset entrenched in the priesthood. I would encourage them

- every good thing. But man refuses to believe the Words of his Creator. Under the inspiration of My fallen angels, they will create other reasons for these problems, such as the other man's race, or political affiliation or nationality. This is perfect for my kingdom of Hell. It keeps man fighting against man and it hides the real issue of man's sin. Without sin, my Kingdom would cease to exist. I need man to continue to sin without the interference of truth.
86. I would take from the most hard-working and productive citizens and give to the non-productive in different creative forms of taxes and programs. My destroyer minions strategically placed in different positions of authority would work day and night to redistribute until every last incentive to produce is extinguished. The Commandment "Thou shall not steal" will be nullified and made meaningless. Government theft, theft for My kingdom's purposes, will be considered righteousness.
87. I would convince the morally depraved government to set up incentives to support immorality. The more illegitimate children a prostitute had, the more dollars she would receive in so-called assistance. She could even become far better off than a morally sound married woman simply by conducting herself like a street animal. Hell accepts these wonderful people just as they are.
88. I would convince those morally deficient ones running the government that alcoholism and drugging is not really a sin or even improper conduct. I would have those wonderful destroyers of humanity, family and society reclassified as a disease. I would see to it that those choosing to prove their allegiance to Me by indulging in drugs and alcohol be considered disabled and be certain they were well rewarded with free room, board, medical treatment, cigarettes, drugs for their drug addiction, clean needles, proper psychological care so they don't develop a poor image of themselves, and spending money to keep the drug trade flourishing.
89. I would gain control of the school system, its textbooks, teaching, colleges and curriculum. God's Holy Word, the Bible, creationism and Christianity would be strictly forbidden. No

- bankrupting families and corporations. My unrighteous kingdom comes first.
79. Every society has producers and non-producers – productive and non-productive – contributors and takers. My minions would simply change the words to rich and poor. The more non-productive and lazy a man was, the more he would get. Free-fornicating women would be rewarded for having more and more illegitimate children. Drunks and druggies would be reclassified as Section Eights and well rewarded.
 80. My demons in high places would twist the mindset to guilt and pity. The more degenerate a government give-away program, the more well-paid bureaucratic administrators we need.
 81. My minions in high places under high-sounding moralist and bombastic words will simply rob from the productive and redistribute to the non-productive, creating more non-productivity and poverty by motivating the non-productive not to work and demotivating the productive to be less creative and productive. My minions in public office can justify their salaries and My kingdom on Earth expands.
 82. The non-productive will eventually become slaves to My minions in high places as they become more and more dependent on free handouts. In My kingdom we talk freedom, giving the illusion of freedom as we create a system of slaves. No one believes the Bible: “He who commits sin is slave to sin” (Romans 6:16). My sinning slaves love Me and love sin.
 83. The productive will be conditioned by My spin demons to feel guilt because of their God-given ability to produce – to feel less guilty, they will simply produce less, contributing more to poverty. The lazy and non-productive will be easily convinced by My minions that they are owed something by the productive. The disciplined will finance the non-productive.
 84. My Enemy commands man to work, to be productive and to take dominion. But it’s so much easier to listen to Me and My lies to get something for nothing. The great masses fall for My strategy every single time because they’re basically crooks at heart. They deeply desire to get something for nothing.
 85. My Enemy God has told mankind for thousands of years that their problem was “sin.” This is the truth. Sin keeps man from

- to try a little pedophilia. This is easy for Me. Once a man commits his first perversion, it’s almost impossible for him to stop. New lusts, new perversions are so enticing for the pervert’s heart.
57. I would encourage the bishops to cover up this sin, sweep it under the carpet rather than face it, rather than having the moral courage to correct the problem at its core, to confess, repent and beg for forgiveness.
 58. I would have My angels of light in the Protestant Church demand that sodomites be accepted as they are into the Church, no repentance necessary.
 59. I know My mortal Enemy, God of the Bible, has attempted to make it clear that men are to “repent and be baptized to be saved” (Acts 2:38). But men would rather listen to Me. Maybe they don’t want to be saved from My glorious Hell. It takes little effort for My ministers from Hell to correct the Gospel of Truth and get the mindless masses to believe they don’t have to repent or be baptized. Easy believism is so easy to believe. Who wants repentance, change or good works anyway?
 60. Who accepts sinful, dirty, rotten man just as he is, without repentance, without baptism or a change of heart? I do. My kingdom of Hell loves sinners just as they are: adulterers, sodomites, liars, crooks, cheaters, butchdykes, abortionists, robbers, drug dealers, pimps, prostitutes, masturbators, perverts, queers, faggots and faggees, idolaters, drug users, drunkards, gluttons, wife-beaters, lovers of money, crooks, etc. I love you all, just as you are. You don’t even have to change to be in My kingdom. Hell will accept you just as you are.
 61. “As long as you believe, brother” – this is what my Hell ministers teach. The masses of fools don’t even know what they believe or why they believe, but they’re My faithful, marching directly to Hell without even knowing it. A holy God reveals His Word in the Bible – I tell lies – the masses reject the truth, but boy, do they love My lies, just like their first mother, Eve.
 62. My ministers of Hell have done such a good job making demons a figment of the imagination that My wonderful Hell is no longer considered a real place. I know Jesus spoke more about Hell than He did about Heaven, but people feel very bad

- even thinking about Hell. Besides, they would have to repent and believe the Gospel. People would much rather hear My lies and feel good about themselves than respond to the truth.
63. I would break the back of the Church by having My angels of light convince the Bible-illiterate masses that sodomites should be allowed to pastor churches and be held in high esteem just as they are. Repent not, be ye not baptized. Continue to commit unspeakable, revolting and disgusting acts of sodomy and perversion and lead entire Churches to Hell.
 64. After neutralizing the Bible-illiterate Church, I would have My demon-inspired agents convince the judges of our land that perverted sodomite marriage is equal to God-ordained marriage. I will have My fags mass together in number and demand equal rights.
 65. I would then convince the judges that perverts should be allowed to adopt children at will and even teach their children sodomy.
 66. I would then make the sin of sodomy a required subject in the government-controlled school system. Kindergarten schoolchildren would be taught to accept good as evil and evil as good (Isaiah 20:5). What God declares to be so horrible that He calls an act an abomination, our schoolteachers will be required to teach as very good, normal and acceptable.
 67. My ministers and minions would immediately begin to work on the next agenda: pedophilia, and even bestiality. Why not?
 68. I would make it a public policy by way of sex education for all types of sexual behavior to be experimented with at the earliest age possible. I would convince the masses that this was healthy, balanced and right. This would be easy in a nation of adulterers.
 69. I would then require that everyone be required by law to indulge in some form of perversion. I'd have My minions of psychobabble convince the world that this would be good for all of society.
 70. I would cheapen human life so much that the life of baby animals would be valued more than human babies in the womb.

71. I would forbid the Name of God or the Bible to be used in public. It would be punishable to use His Name in the public school system.
72. I would destroy, confound, deny or reconstruct every trace of colonial history relating to Christianity or the Founding Fathers. I would substitute social studies, psychology and sex ed for colonial history. I would discount the history of Christian America from the minds of our people.
73. I would convince the masses that paper money was worth more than gold. My masters of deceit would set them up for permanent debt, poverty and slavery.
74. I would do away with the gold standard and while the stupid masses sleep, I would print paper money until it became worthless. I would force Mom to go out to work to destabilize the family.
75. I would convince the people that everyone should pay their fair share of taxes. Then I would place My destroyer minions in secret positions and have them create more and more genius ways to tax. There would be no end to My taxing. I would even come up with ways to tax them after they were dead. I would tax their dead bodies, their graves, their memories and their children's children. My ministers and minions are excellent thieves. They steal for a worthy cause: the kingdom of Hell.
76. I would make laws that would make not filling out one's tax report more serious than sodomy, pedophilia, theft, rape and even murder (if the murderer had psychological problems, was depressed or on drugs).
77. I would take the tax money and give it to the enemies of God of the Bible. The more heathen the nation, the more money it would receive in give-away programs. The money would be given away under the guise of high-sounding moralistic and humanitarian names.
78. If there was a special nation that taught its people to spit after hearing the name Jesus Christ, they would be rewarded with unlimited money, whatever that nation wanted it would get, even if it meant increasing taxes or going into debt or debasing the currency or forcing new moms into the workplace or
